## Adobe Illustrator Cs2 Me | WORK | Keygen

authorization code adobe illustrator cs 2, activation type 4: 12007 activation number: 4487 - 3836 - 6747 - 3526 - - Adobe Illustrator CS2 for PC question. How do I activate the program and activate in Adobe Illustrator CS2? I don't quite understand how it's done. Thanks in advance. March 12, 2010, 17:20 Sergey, I also had this problem, I solved it myself. I had a different version of the program. I installed it, and then downloaded the program and reinstalled it. I downloaded the CS2 version and during installation the program immediately offered to activate the program itself, at the end there was an inscription with a code. I entered it and now everything works fine.
