Like most Dragon Quest games, The Elden Ring is characteristically quite difficult, and in order to complete it you will need stamina. We are going to make an effort to not make it too difficult to play again, however, it will be desirable to have average stamina.

The Elden Ring will be released on August 3, 2013, on PC, at the price of 5,240 yen. We plan to get back to you as soon as we have something more concrete to report.

We ask for your understanding.

Dragon Quest IX

Dragon Quest IX (Japanese: ドラゴンクエスト〜インフィニティ〜 The The Elden Ring) is the sequel to Dragon Quest VIII. The official website for Dragon Quest IX states that this game will not be using a traditional Final Fantasy title because it is designed for the realistic fantasy of Dragon Quest. The official website states that this is the first time that a Dragon Quest game is officially announced by a publisher. This was released for the PlayStation Portable in Japan on May 24, 2010.

An epic drama in which the various thoughts of the characters intersect in the Lands Between. ◆ Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. CREATE A NEW HISTORY OF FANTASY – THE DEMIHUMAN RACE Seeking to free the creatures known as the “DemiHuman Race” from their cold slavery, the new Elf Garou wields the fierce and deadly power of the legendary Elden Ring to wage war against the people who enslave them. Now, take to the battlefield as a DemiHuman in a new fantasy action RPG bursting with excitement, and find a new story and a new challenge in Tarnished. GAME SYSTEM Fight for freedom! A NEW FANTASY ACTION RPG ▼DemiHuman Race: DemiHuman is a race that is capable of developing their bodies and souls by acquiring mana. The DemiHuman race originated from the Demon race. The DemiHuman race is composed of ones who reach high level and ones who do not reach a certain level. DemiHumans have kept their tribe in a harsh cold environment since their original place was overrun with land and sea. ▼DemiHuman Magic After the landing of the mother planet, Mana No-zar was created, and an unprecedented massive amount of mana was absorbed. In the immense Mana field, in the world, all mana evolved in a new direction. When the rifts had been created, some Mana became separated and became mana beasts. Mana beasts are the ultimate form of mana. A mana beast can easily gather mana from a weak human. �
