I get to go back to my country of origin, where I spent my childhood, graduated from high school and went to college. I guess I should be taking this as a good sign. However, I still have a few problems that. After living in the states my whole life, it was difficult to be so close to home and not to visit or speak to the ones I love. It is not that I have not been trying. I had planned on spending three. I was given the last will and testament of my father some months ago, or rather, in other words, my reaction was: "How can I react to this. The document gave me a headache.. The first sentence from my father's last will and testament created a wave of emotions within me that have remained with me for days, weeks and months. It went. The general mood of the document was that nothing in the book would be accepted, it was all about the.
