MACSAGEM Fast 2404 3.33 .8a4 is already the 3rd new firmware for Fast 2404... Many bugs have been fixed in this firmware. But the most important thing is that this firmware has become fully compatible with our new Fast 2404 2.12 .8a1 receiver!! Thanks to EVERYONE who helped us set up and test!!! You will find all the data for the firmware in the archive attached to it. 1. Turn off the receiver and connect the USB Flash. 2. We take the receiver out of the package and plug it into the network.
